

# Additional Features

Simplified Invoicing

**Effortlessly** manage your account balances and invoices, making secure payments via credit cards or ACH for maximum financial flexibility.

Compliance Management

**Simplify** employer tasks with features like automated referrals, discounted fees, precise service inventory control, and various enhancements.

Single Sign-On

**Enhance** security with customizable Single Sign-On (SSO) authentication for increased protection of results, orders, and direct provider chats.

HRIS & HCM Integration

**Seamlessly** integrate with HRIS, EHR, and HCM software, facilitating the efficient management of employee health records and optimize human capital management for improved HR operations.

## Testimonial

Valerie McKain

 HR Director

“

BlueHive has exceeded our expectations in every aspect. The combination of exceptional customer service, ease of use, and flexibility has made it an invaluable tool in our HR toolkit.

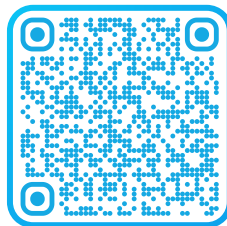

Since we hire all over the country, the flexibility to send new hires for drug screens anywhere in the country has proven to be a tremendous asset.

Their commitment to addressing our queries promptly and effectively has not only saved us valuable time but also demonstrated a level of dedication rarely seen in the industry. The team's knowledge and professionalism have truly set a gold standard for customer support.
